DEAR FELLOW CLARITY SUPPORTERS,

Much has changed in the past year. Roe vs. Wade was overturned, and Indiana passed legislation limiting abortions. Clarity is needed now more than ever!

- 1 *Youth need equipped to make wise choices around their sexual health, and educated with the truth: "you matter."*
- 2 *Men and women experiencing unwanted pregnancies and sexually transmitted infections need help with their immediate physical needs and hope for bright futures.*
- 3 *Individuals need healing from sexually related traumas including abortions, miscarriages and sexual abuse.*

As our communities' needs grow and change, we expect Clarity to grow and adapt to meet those needs.

You can be assured we have strong leadership with our board and employees to accomplish our goals and fulfill our vision and mission. The Clarity Board of Directors remains firm in our commitment to serving Clarity to focus on compassionately engaging, educating, and inspiring our communities with the truth regarding holistic sexual health and the value of human life.

On behalf of the Board of Directors, thank you to our employees, volunteers, and financial supporters for helping us to uphold this mission. You help Clarity make a difference every day walking beside us sharing in the vision of a culture where every human life is valued.

EDUCATION

A place of hope for students to build foundations for healthy decision making.

Have you considered the stresses our students have faced the past few years - bullying, body image, peer pressures, changing schedules, concerns about our world and their health?

Throughout the past year, Clarity's educators have journeyed alongside students, parents, teachers, school administrators and church leaders to instill holistic Sexual Risk Avoidance education. We have witnessed the toll on the mental health of students, and this has only increased our passion for empowering students to recognize that they matter. Every student and individual deserves to know they are valuable, and worth protecting and respecting.

It is Clarity's privilege to present the *I Decide For Me (IDFM)* program to 6th grade, middle school and high school students across South Central Indiana. Through the *IDFM* program, students learn to recognize their value and make healthy decisions which reflect that value. Because the *IDFM* program has continued to grow, other organizations outside our region can also purchase the *IDFM* curriculum to equip their area youth with these vital life lessons.

6,385 students

were equipped to make healthy choices by Clarity's educators through school-based *I Decide for Me*

61 schools

hosted *I Decide for Me*

Additionally, area churches host faith-based programs *Transformed* and *My Best For You*. Teens and their parents/guardians are equipped to have crucial conversations based in faith about their value and God's design for sexuality.

282 students

& parents/guardians were equipped to have honest, faith-based conversations through *Transformed* and *My Best for You*

10 churches

hosted faith-based *Transformed* and *My Best for You*

Because of your support, Clarity remains a consistent source of hope and reminder of value for students and families.

HEARTS RESTORED

A place of healing from sexually related traumas.

Do you know someone that has/is experiencing control issues, anger, depression, anxiety, nightmares, or difficulty communicating? Chances are, they could be experiencing symptoms from carrying the burden of unresolved trauma.

Clarity recognizes the sexually-related trauma our clients have experienced as a result of sexual abuse/misuse, unwanted pregnancy, STD, abortion or miscarriage. It is now estimated that 45%-50% of the current adult population has experienced sexually related trauma in some way.

Through Clarity's Hearts Restored support groups and one-on-one counseling, we are able to meet women and men where they are in their time of need. There are currently four support groups being offered: **Conquering Codependency**, **Healing After Abortion**, **Hope After Reproductive Loss**, and **Overcoming Sexual Abuse**. Clarity cares about each individual's holistic health, not only the physical aspects, but also their mental, emotional, social and spiritual health.

Because of your support, women and men are compassionately supported as they work toward healing of sexually related traumas and its symptoms.
