Dear Friend of Clarity,

Clarity of South Central Indiana is excited to announce that it has entered into a merger agreement with Care Net of Central Indiana, effective September 30, 2022. Together, with all current Board & Staff, we will join as Clarity of Central Indiana.

Since the overturning of Roe v. Wade, Clarity's services are needed now more than ever! Over the last year, we saw the opportunity to combine resources with another strong, healthy, like-minded organization. Together, we could make an even larger impact for the kingdom. This merger will allow Clarity to serve two additional counties, Johnson and Morgan, while doubling the residents within in our service area. We are excited at the opportunity to serve even more people with the truth that they matter!

This merger with Care Net will allow for the expansion of Clarity's footprint to create greater impact. Upon merging, Care Net's three pregnancy centers, located in Franklin, Greenwood and Mooresville, and Mobile Center will be added to the current Clarity locations. This merger will also allow us to grow our Hearts Restored and Education programs to create a wider impact, as well as widen the opportunities for Development! More resources will only allow Clarity to help even more women, men, children and families.

The Board of Care Net will be joining with the Board of Clarity, making an even stronger Board for our organization to continue this important mission. After a number of interviews, both the Clarity and Care Net Boards extended the position of Chief Executive Officer to Eric Allen, the current Executive Director of Care Net. Eric is accomplished, has a ministerial background and a great deal of related experience. You will enjoy getting to know Eric, and we look forward to him leading our organization into the future!

Already, so many lives have been changed because of our donors, partners, volunteers, staff and board. We are incredibly thankful for each of you! When you give of your time, talents, and treasures, you are making a difference. If you have any questions or concerns, please do not hesitate to reach out to me at 812-378-4114 or Keith.Inman@claritycares.org. These are exciting times for Clarity!

Clarity remains ready to serve you and our communities with hope, help and healing. Because YOU matter, and we CARE.

Sincerely,
