Creating Healthy Parent Conversations

## Our Mission

---

Clarity provides topical presentations to help adults build healthy character qualities.

Clarity In the Chaos empowers parents and adults with practical tools to have positive conversations.

Parents provide the foundation for children to learn how to have and actively be in healthy relationships with one another. As members of a healthy functioning system, there are some recognizable qualities needed:

- Communication
- Commitment
- Chemistry
- Character
- Compatibility

### Who Do We Serve?

Small Groups, Moms' Groups, MOPS, Bible Study Groups, and YOU!
