

## **Clarity STI Testing and Treatment**

Clarity Testing Clinic provides confidential testing, diagnosis, and treatment of sexually transmitted infections (STIs) for men and women in a safe, supportive environment.

### **Services Offered**

We offer comprehensive STI testing and care, including:

- HIV (Rapid and Conventional)
- Syphilis
- Chlamydia and Gonorrhea
- Herpes (HSV 1 & 2)
- Hepatitis A, B, and C
- Human Papillomavirus (HPV)
- Pap Testing
- Bacterial Vaginosis
- Trichomoniasis
- Mycoplasma genitalium
- Pregnancy Testing

In addition to testing, **diagnosis and treatment for genital warts are provided at no cost** to patients.

### **Affordable & Accessible Care**

The cost of your visit and exam, as well as some tests, is underwritten by generous donors. Other tests are processed through an external laboratory and may require a minimal lab fee. These fees can be billed to insurance or paid privately.

Payment plans are available, and fees may be waived when necessary.

**No one is turned away due to inability to pay.**
